"Prosecco shimmies and shines in this bright, exuberant prosecco dressed in fresh-cut apple, pear and citrus. Combines energy, a fast-paced mousse and clean, bright fruit presence. The palate's texture is supple but also marked by crunchy, enlivening acidity that perks the tastebuds right up. What more can we ask?"

"Light yellow hue, bright, with vigorous mousse. The aroma is fresh and clean, scented with icing sugar, the palate flavoursome and fruity with a tickle of sweetness and a slight tannin grip. Imparting a dryness to the finish. A very tasty prosecco, a top example."

"A hint of just-cut Granny Smith apple, dried herbs, a twist of lemon and spritely acidity."

Class 20: Sparkling

"Pale lemon. Fragrant green apple. Bright fresh with crisp green apple fruit definition and good persistence. [Andrew Pritzker MW]. Light/mid straw. Lifted citrus, fresh, zesty with medium fruit weight and length. [Jonathan Holgate]. Pure fruit with integrated oak and hints of flint. A tight focus. Elegant, seamless palate. Lovely extract and fruit concentration. Long." [Jack Glover]

"Very pale colour. The bouquet is savoury, straw-like, freshly laundered cotton sheets. A whisper of lemon juice. The palate is light and crisp, very dry and slightly firm thanks to lively acidity, simple and pleasing to drink."
