"51/29/20% sangiovese/pinot noir/syrah, from the Alpine Valleys, Yarra Valley, Heathcote and King Valley. A varied cast of characters comes together to present a purple, plummy wonder, ideal for early drinking. Captures youthful exuberance in cherry, redcurrant, plum, anise and chocolate. Palate is soft and supple, finishing with some attentive tannin grip.

"An inviting nose of black plums, spiced cherries and raspberries quickly take on a savoury side on the palate. This lovely juxtaposition signs off with bitter chocolate tannins. This is a vibrant and delicious red that will appeal to many."
