"Made from 20yo vines grown at Gladysdale in the Upper Yarra. Matured 10 months in French puncheons (20% new). An attractive and light bright cherry red. A little oaky at present, but once this settles down, there is more than enough stuffing in the way of red and black fruits together with some lifted, Asian spice notes. The palate flows nicely with mainly red fruits coming to the fore and fine yet persistent tannins round off a wine to consume now and over the next 3-4 years."

"Medium to light ruby colour with brick and slight purple tinges. The bouquet is complex, smoky-spicy and gently bunchy, with smoked smallgoods aromas and lots of dark-cherry. The palate is intense and light to medium-weighted, with light but positive tannins, the finish very long and satisfying. Delicious drinking and great value."

"Elegant and supple, with cherry, cranberry and raspberry flavors that are ripe and polished with hints of baking spices, dried lavender, dried herb and green tea lingering on the complex finish. Drink now through 2033."

"Judiciously mixes sweet, ripe red cherries, roses and hips with dried herbs and a little caramel wood flavouring. Although there's not a lot of definition, tannins are squishy soft and acidity is tinkering in the background. It is also firmly in the drinking pleasure zone for a lighter-style pinot."

"Beautifully balanced, the texture fine and satiny, the length satisfying and the overall harmony outstanding."
